

Assessor 2k User Support

General user support page for *Assessor 2k*

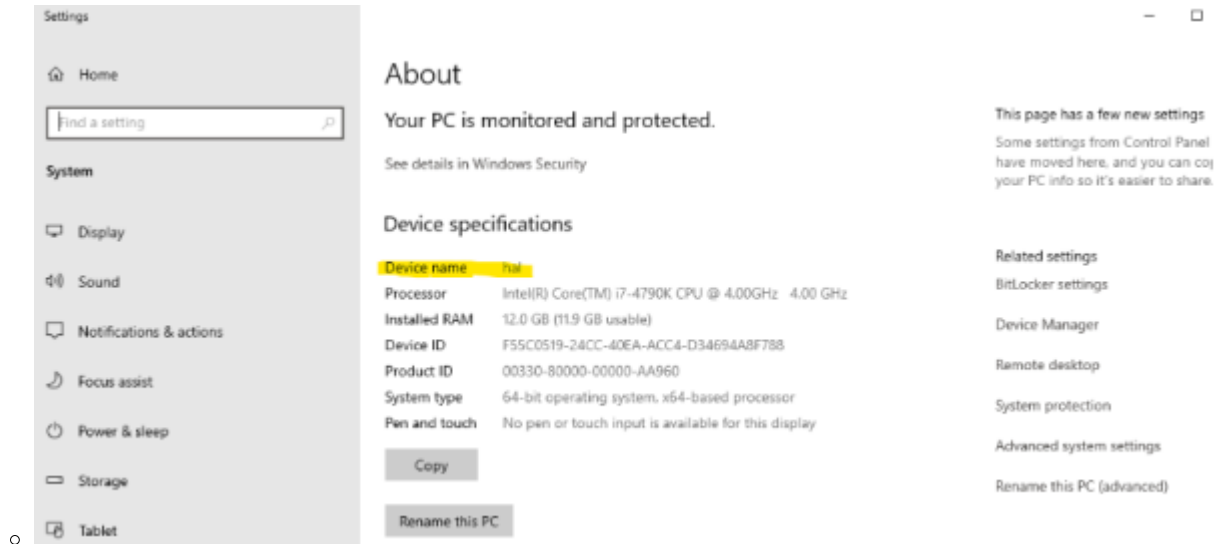

Requesting Assessor 2k User Support

When requesting support please include answers to the following questions:

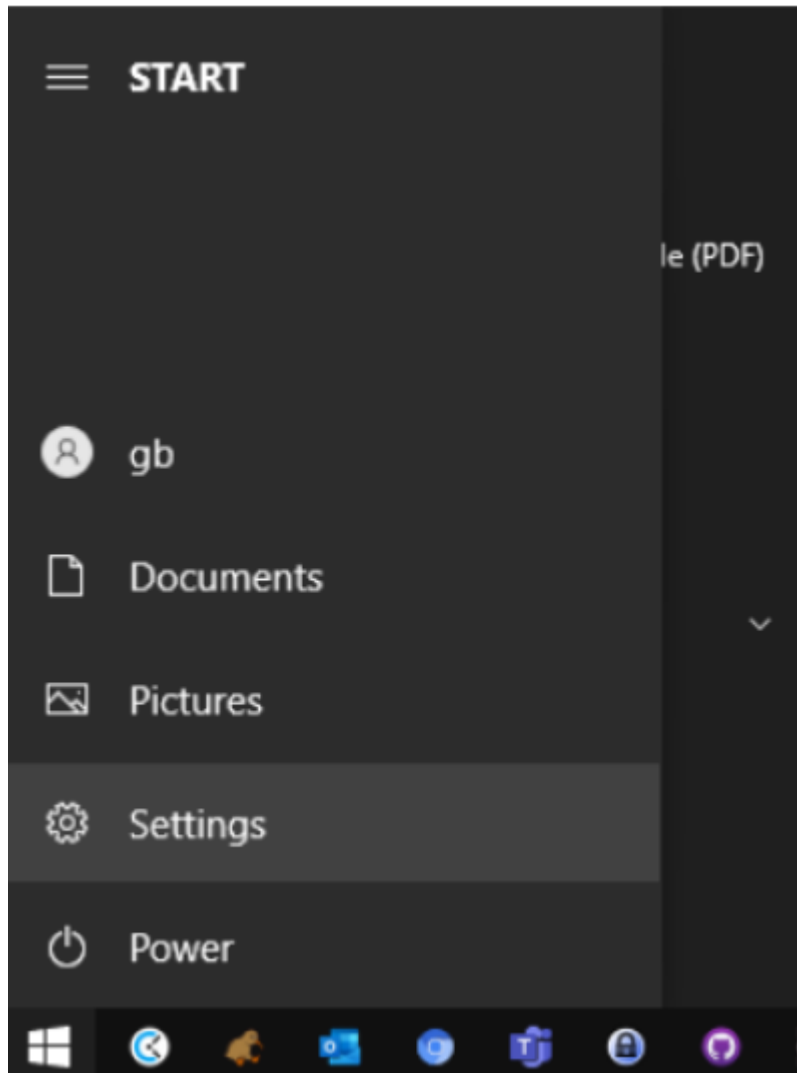

1. Which computer are you currently experiencing the issue on? (*i.e.*, *TaxRE110*, *TYL7626* and/or *IP address*)
 - If unsure, **click the Start button and type "pc name"** and select **"View your PC name"**

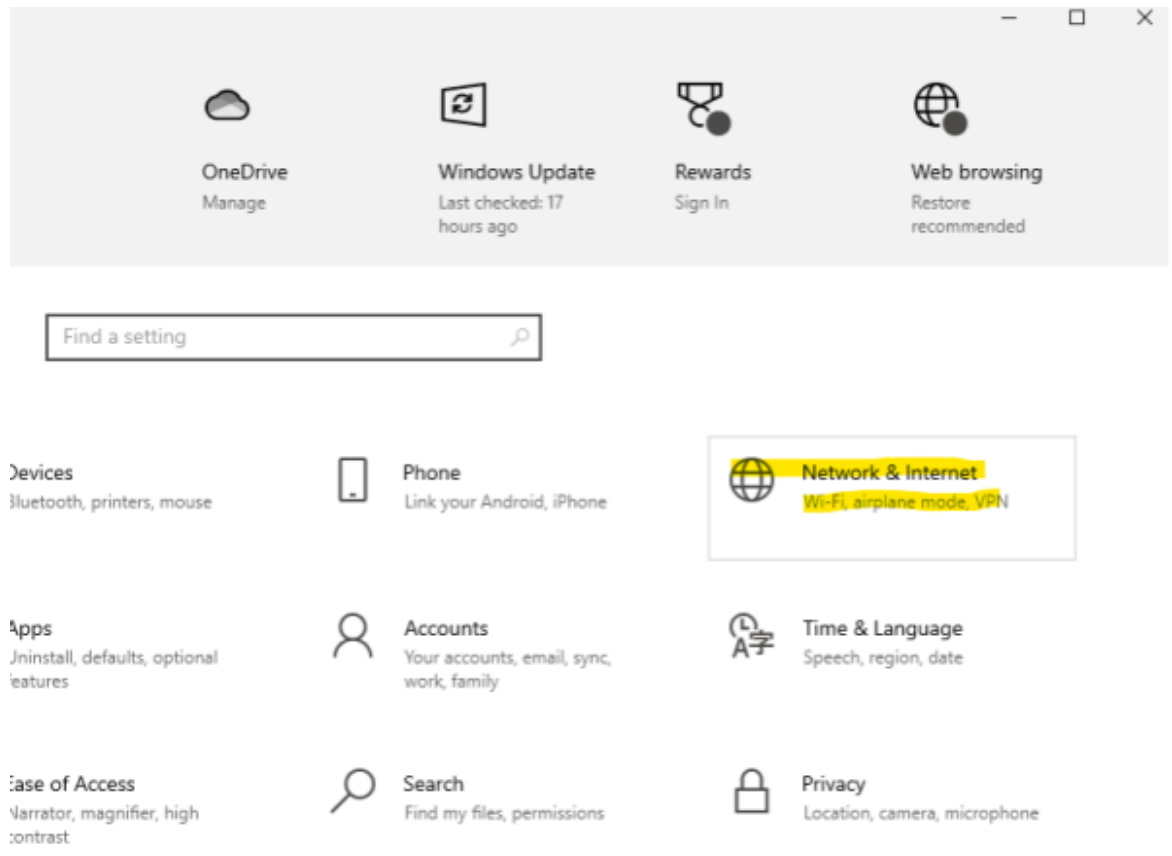

- Find your computer name next to "Device Name" (My computer is named "hal"):

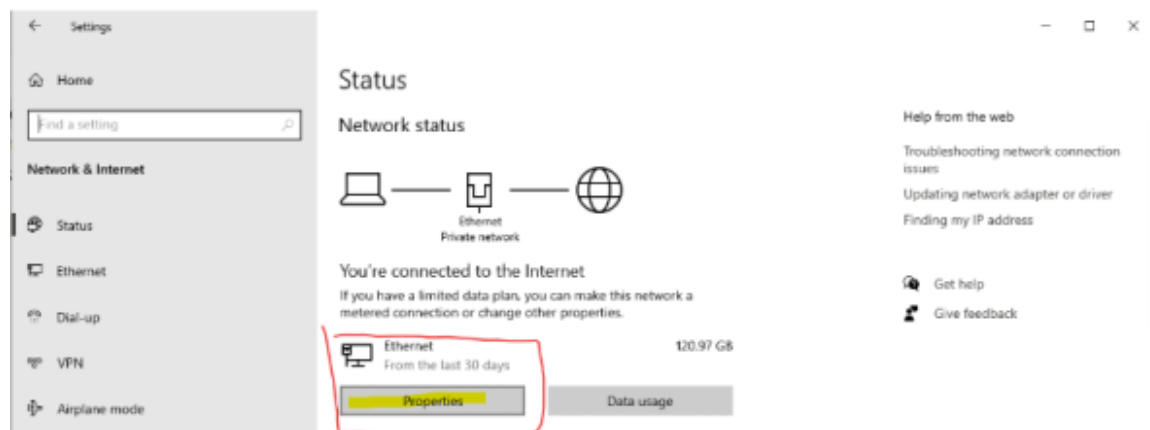

- To find your IP address:
 - Click the Start button and go to Settings → Network & Internet

- If connected via Ethernet, select **Ethernet → Properties**. If connected via WIFI select **Wifi → Properties**.

- Scroll down to **Properties** and **click the Copy button**.

*
