

Assessor 2k User Support

General user support page for *Assessor 2k*

Requesting Assessor 2k User Support

When requesting support please include answers to the following questions:

1. Which computer are you currently experiencing the issue on? (*i.e.*, *TaxRE110*, *TYL7626* and/or *IP address*)
 - If unsure, **click the Start button and type "pc name"** and select **"View your PC name"**

- Find your computer name next to "Device Name" (My computer is named "hal"):

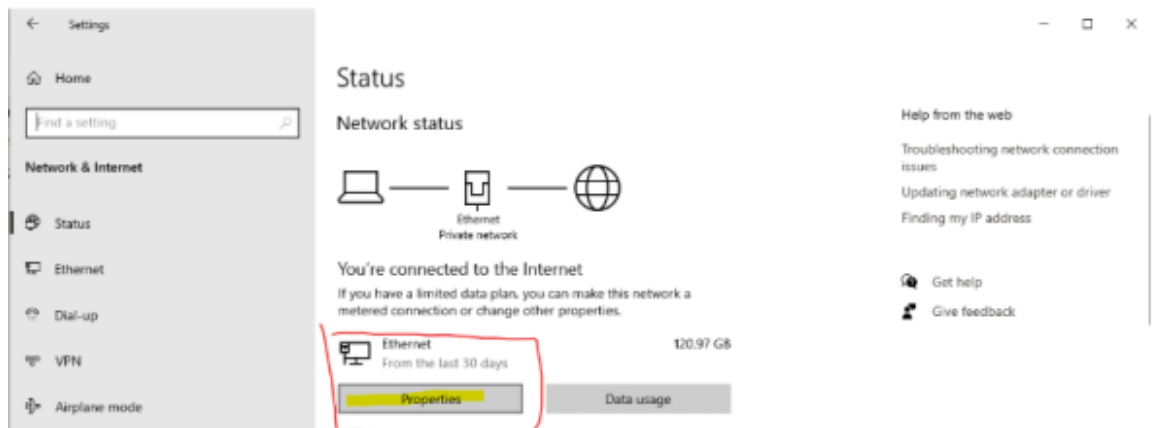

- **To find your IP address:**
 - Click the Start button and go to Settings → Network & Internet

- If connected via Ethernet, select **Ethernet** → **Properties**. If connected via WIFI select **Wifi** → **Properties**.

- Scroll down to **Properties** and **click the Copy** button

*

Properties
