Requesting Assessor 2k User Support

When requesting support please include answers to the following questions:

1. Which computer are you currently experiencing the issue on? (i.e., *TaxRE110*, *TYL7626* and/or IP address)
 - If unsure, click the **Start** button and type "pc name" and select "**View your PC name**"

- Find your computer name next to "Device Name" (My computer is named "hal"):

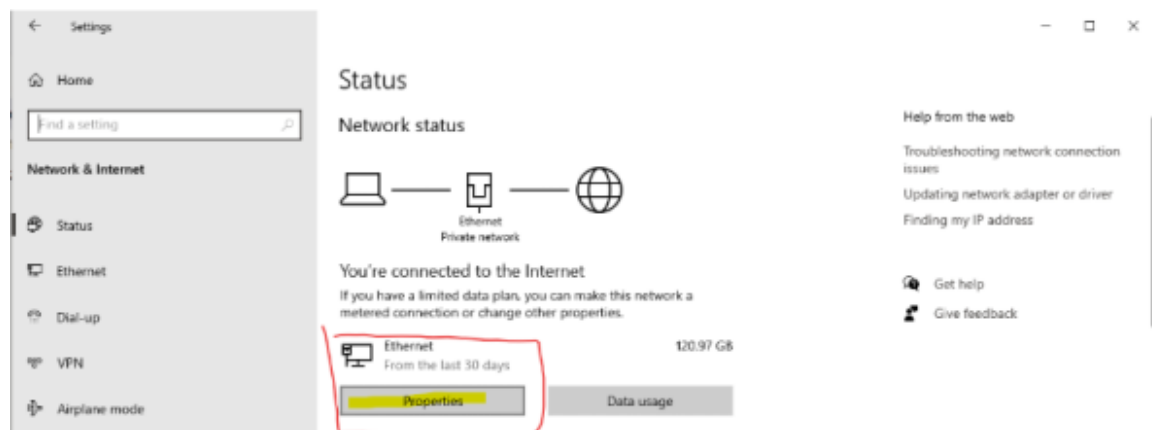

- To find your IP address:
 - Click the Start button and go to Settings → Network & Internet

- If connected via Ethernet, select **Ethernet** → **Properties**. If connected via WIFI select **Wifi** → **Properties**.

- Scroll down to **Properties** and **click the Copy** button

*

Properties

Link speed (Receive/Transmit): 1000/1000 (Mbps)
