Assessor 2k User Support

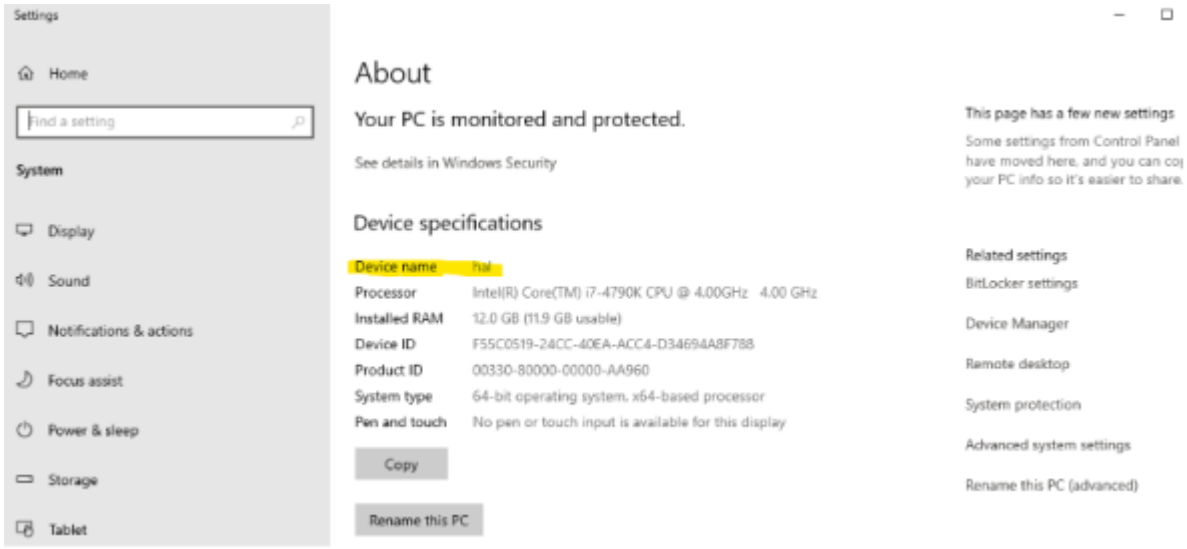

General user support page for *Assessor 2k*

Requesting Assessor 2k User Support

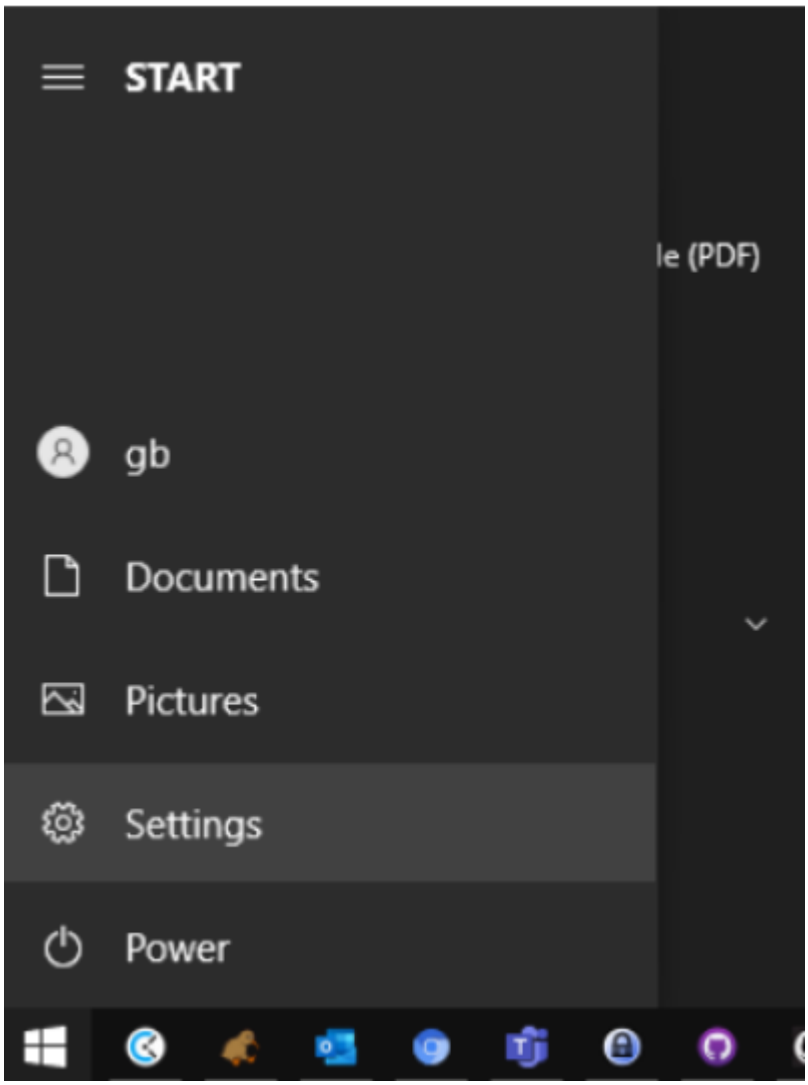

When requesting support please include answers to the following questions:

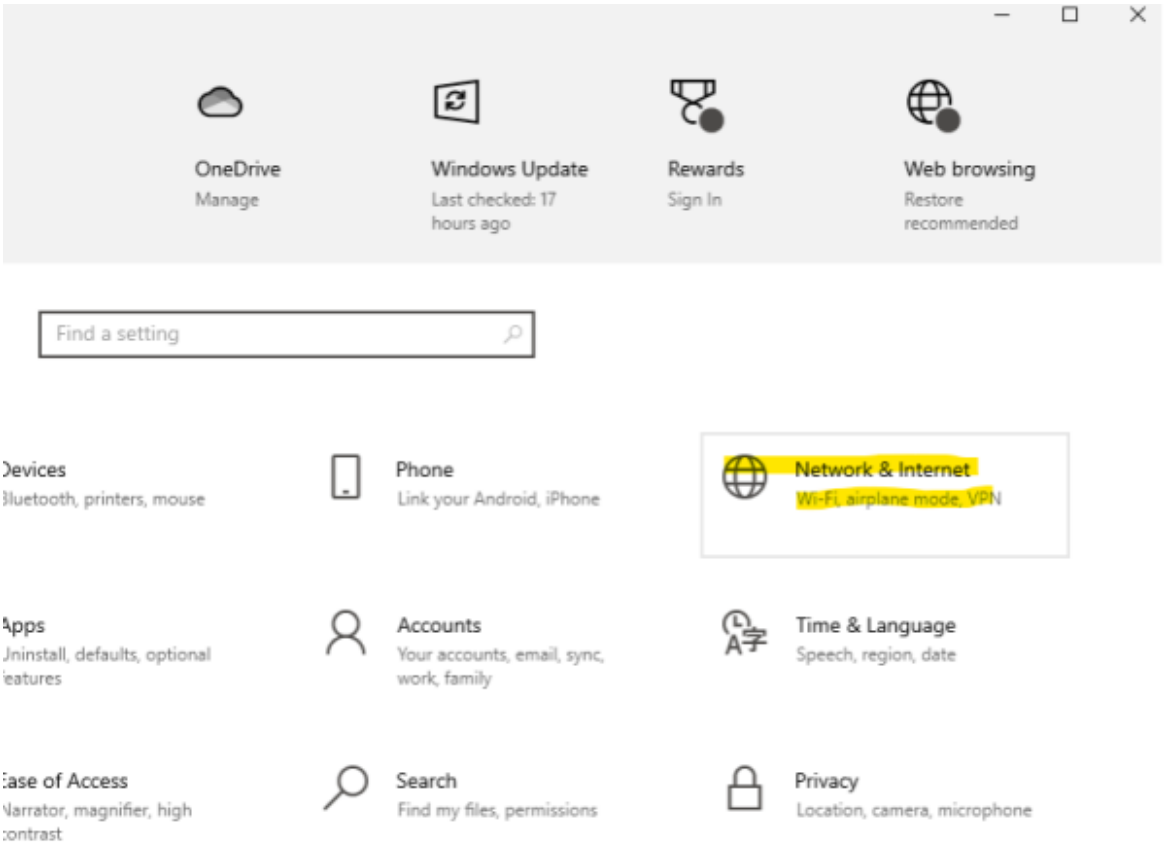

1. Which computer are you currently experiencing the issue on? *(i.e., TaxRE110, TYL7626 and/or IP address)*
    - If unsure, **click the Start button and type "pc name"** and select **"View your PC name"**
    - 

    - Find your computer name next to "Device Name" (My computer is named "hal"):

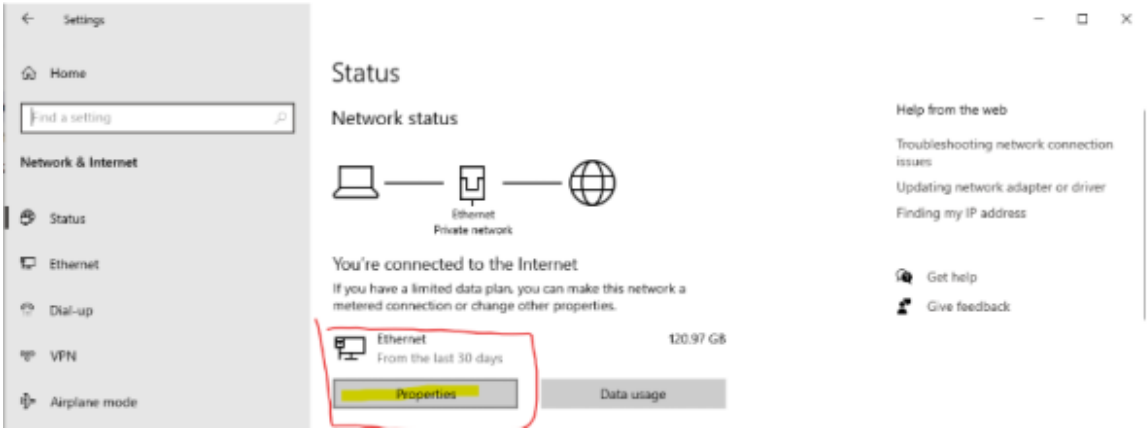

- **To find your IP address:**
  - Click the Start button and go to Settings → Network & Internet

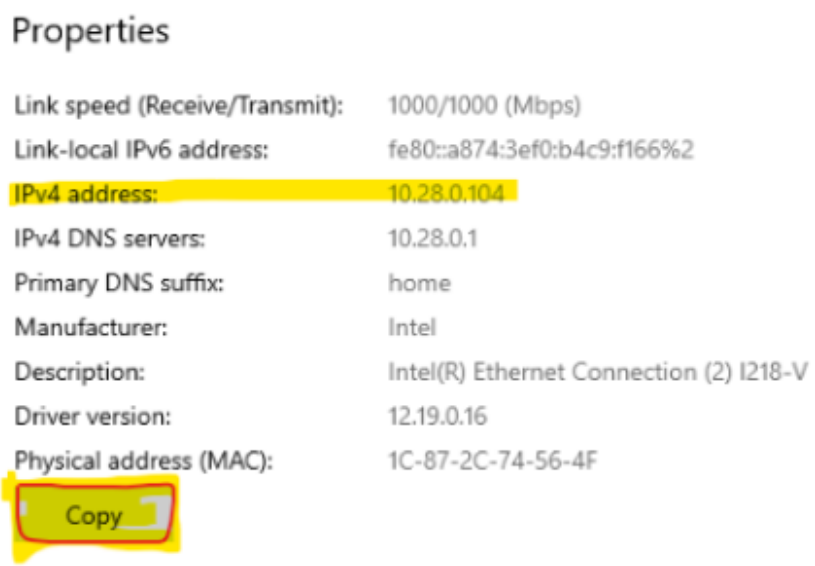

- If connected via Ethernet, select **Ethernet → Properties.** If connected via WIFI select **Wifi → Properties.**

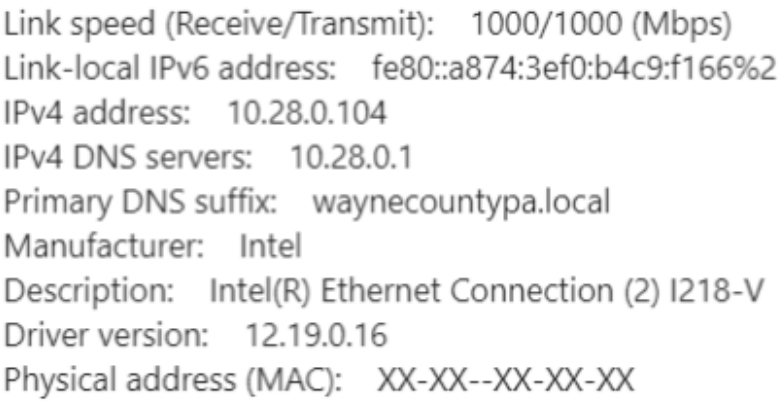

- Scroll down to **Properties** and ***click*** **the** **Copy** **button**

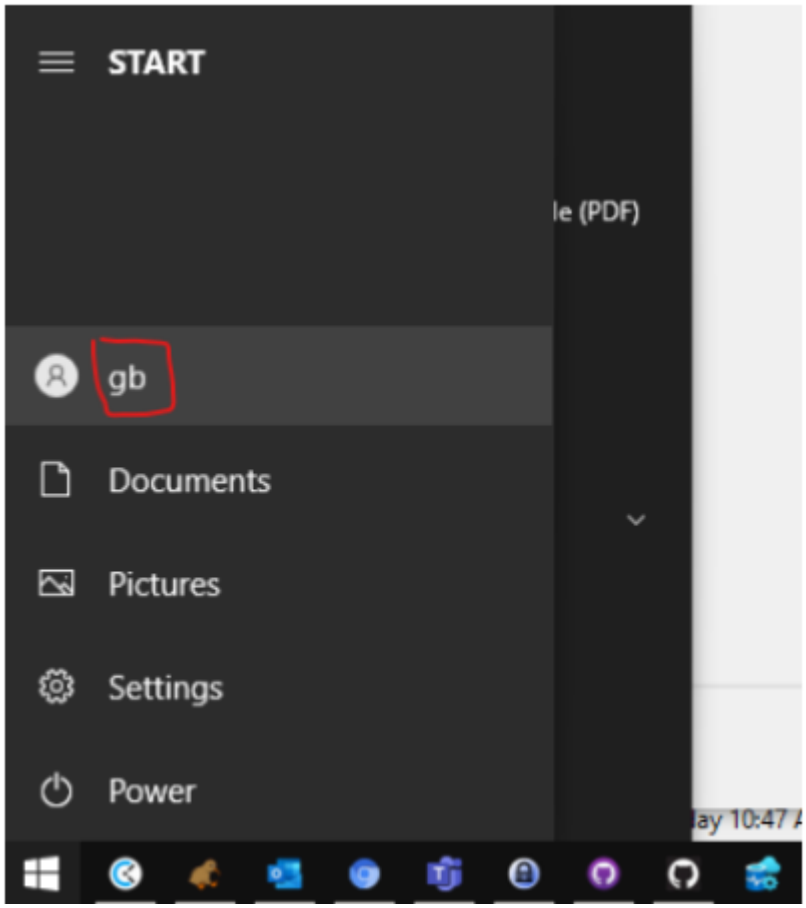

- 

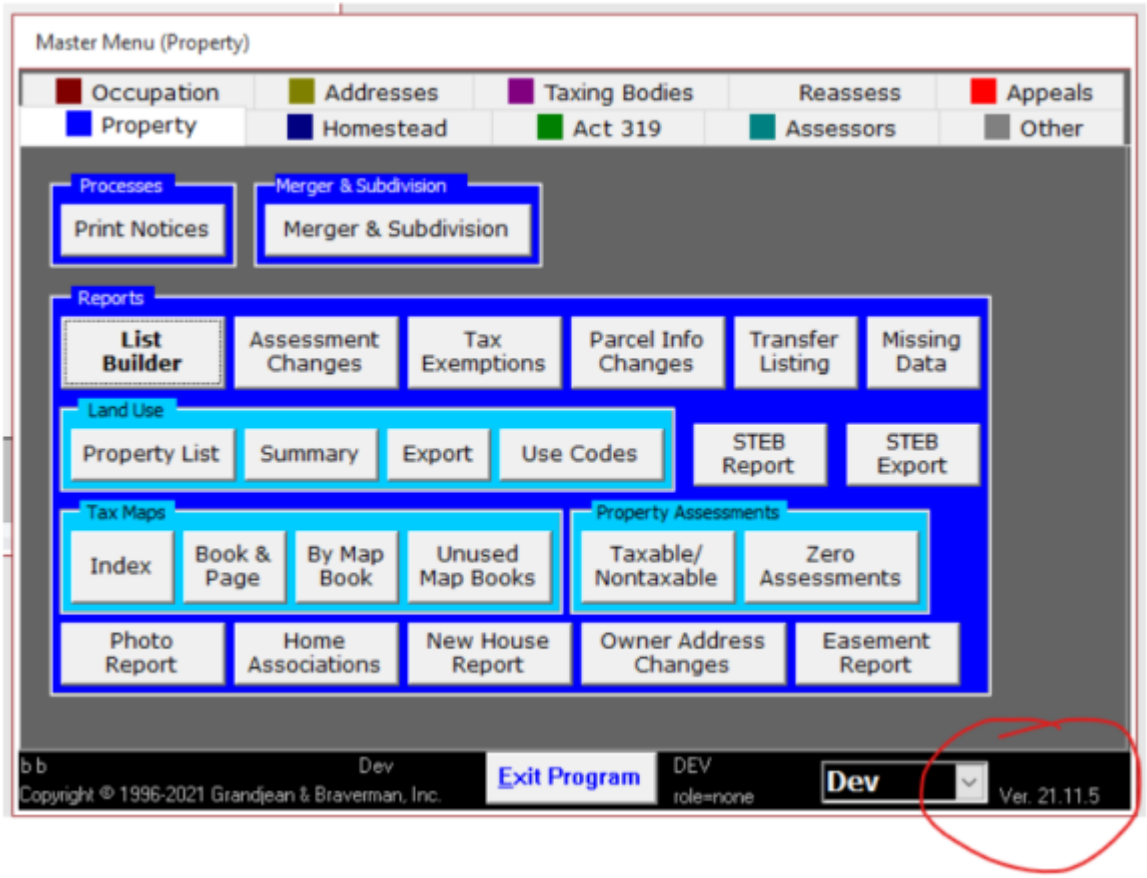

- the information above is now copied to your clipboard.
- **Paste into your support request.** The pasted text will look similar to this:

2. Which user are you currently logged in as? *(i.e., tylerre10)*
    - If unsure, **click the Start button**, then **hover over the "Person" icon:**

3. What is the version of Assessor2k you are currently running? (i.e., "v21.11.15")
    - See the bottom right corner of the master menu:

Support Request Template
