Upset Sale

The largest single event in most tax claim offices is the Upset Sale. Preparation for the sale generally begins in late June or early July, as the sale must be held "no earlier than the second Monday of September and before October 1."[1)]

Most of the functions relating to the Upset Sale are found in the Upset Sale Menu form.

1)
1947 Act 542, §601.a.
