## Unpaid Bills

The Unpaid Bills button will print bills for those that remain unpaid. Real Estate and PerCapita/Occupation print separately. We have placed the address on the bill to show through a window envelope after folding.

An asterisk (\*) appears next to the bill number for properties that are for sale by Tax Claim. Unpaid bills can be selected by zip code, leave this field blank to print all unpaid bills.

## Unpaid Labels/Env

Unpaid Labels/Env will print labels or envelopes for unpaid bills.

The report displays payments where the Payment Date is after the Start of Face for discount payments, after the End of Face for face payments, or after the respective installment due date for face installment payments.

## Set Print Flag

The set print flag button sets or the print flag for every record of a selected tax type. The print flag for an individual bill can be turned off and on from either the Receipt Form or the Change Form.

## Clear Print Flag

The clear print flag button clears the print flag for every record of a selected tax type. The print flag for an individual bill can be turned off and on from either the Receipt Form or the Change Form.
